3 "Sec. 501. Subsection (a) of section 21-11a of the general statutes, as
4 amended by section 2 of senate bill 1128 of the current session, is
5 repealed and the following is substituted in lieu thereof (*Effective*
6 *October 1, 2009*):

7 (a) A scrap metal processor, as defined in section 14-67w, shall
8 record, for all loads of scrap metal purchased or received by such
9 processor, a description of such scrap metal, the weight of such metal,
10 the price paid for such metal and the identification of the person who
11 delivered such metal. Such scrap metal processor shall take a
12 photograph of the motor vehicle delivering such scrap metal,
13 including the license plate of such vehicle. Such scrap metal processor
14 shall not be required to segregate scrap metal it receives from other
15 materials on its premises and hold the same for five days except for

16 [scrap equipment,] wire or cable that could be used in the transmission
17 of telecommunications or data or scrap equipment, wire or cable that
18 could be used in the transmission or distribution of electricity by an
19 electric distribution company unless purchased from (1) a person
20 registered pursuant to section 29-402 to engage in the business of
21 demolition of buildings, or (2) a person who has already segregated
22 such scrap metal pursuant to this chapter and such person provides
23 such scrap metal processor with a written statement affirming such
24 segregation. Upon receipt of a load of scrap metal which contains wire
25 that could be used in the transmission of telecommunications or data,
26 such scrap metal processor shall take a photograph of the motor
27 vehicle delivering such scrap metal, including the license plate of such
28 vehicle, and of such load of scrap metal containing wire that could be
29 used in the transmission of telecommunications or data. Upon receipt
30 of [scrap equipment,] wire or cable that could be used in the
31 transmission of telecommunications or data or scrap equipment, wire
32 or cable that could be used in the transmission or distribution of
33 electricity by an electric distribution company, such scrap metal
34 processor shall make a copy of the certificate of registration of such
35 vehicle, record a description of the material received, and record a
36 statement as to the location from which the material came."
